

Clarion—The Clarion has been redesigned to simplify installation. The Clarion's aluminum frame forms an attractive 5 cm border, for a clean, theatre-like appearance. The 5 cm wide beveled, extruded aluminum frame interconnects on site. Permanent wall mounting brackets included. Black aluminum frame is standard. The fabric attaches to the frame without snaps or tools, forming a perfectly smooth viewing surface. U.S. Patent Numbers 6785047, 7113332, 7369310.

Options: Custom sizes available by quotation. Vel-Tex black frame finish.
